

Centraal Beheer Achmea

sr Design Specialist Internet and New Media

“Tanja beheerst haar vak als designer en slaagt er ook in op een positieve manier controle te houden over de afgesproken huisstijl. Dit doet zij door te luisteren naar verschillende meningen en door vervolgens een afgewogen besluit te nemen. Haar positie was onomstreden, ook omdat ze haar gesprekpartners kon overtuigen dat dit het beste was voor de business en niet alleen vanuit een designperspectief.”

“Tanja is a highly creative, spontaneous and passionate professional. As senior designer, she is not only very capable of translating corporate (brand) identity and business concepts into stunning visual designs (for both on-line and off-line), but also present and explain them to higher-management in a professional manor. She knows how to handle tight deadlines. Tanja is a very pleasant person to work with.”

Mountainbike.nl

Reporter, editor, photographer

“Tanja has an untamed desire for new things, which never fails to inspire me. I have come to know her as a high energy professional, with a great feel for trends. We work together as editors/reviewers at Mountainbike.nl She showed great skills in both design and leadership during the production of her baby-project the Mountainbike.nl e-zine. As committed internet professionals and enthusiastic bloggers, we always seem spark ideas and ride many a creative wave together.”
